70th Kingdom Year, October
Northern Great Plains of Dorton

Professor

the second type
you requested for
is over here

Hello, Mr. Roamer

Hello.

Are you permitted
to be outside?

Yes.

Mr. Laporta has
authorized it, as long as
I accompany my brother.

Why would that
stubborn elf...

Still, I know
I'll be right back.

Is this the first
time you've witnessed
the direction of a
Mirage Forest?

A Black Mirage
Forest, yes.

You've seen
others before?

In the forest, long ago.

Has that Akoom,
Dark, contacted you?

Or, at least,
do you have a way
to contact him?

Shake shake

This is the longest
I've been out of contact
with Prince Reihart.

I see....

How long is this
going to continue?

What is she
staring at?

The lord,
his soldiers,

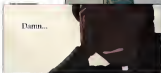

and his daughter...
No, who is that
next to him?

First, let's talk later.

If that Akoson
should contact you-

She's...

You slut!

You already had
one lover, yet you
dared seduce him.

You shamelessly
flattered your body,
didn't you?

You vulgar
wretch!

Well, it seems
there is a
misunderstanding.

Shut it!!

You dare speak
back to royalty?

**DO YOU KNOW
WHO I AM?!**

Obviously!

None other than
the crassest bitch to
throw herself at Roi!

Curse his philandery.

Lupen,
you're the only one
who can stop him.

Your Royal Highness,
Queen Ellice.

Please
remain calm.

Lord Laiden?

This isn't
like you.

I was known as
a daughter of

This is bad

a declining
royal family

Once again,
because of this collar...

But now,
I'm different.

Now, I am the highest ranking woman in this Kingdom and so much

I am the only person suitable for him

That woman,
is she in a relationship
with the Prince?

She is a woman
who feels no remorse
after having murdered
someone

and he is a man whose
greed is placed above
the lives of others

They are both similar

in that I cannot comprehend them

Regardless of what happens

to a harlot slave-

**IF YOU'RE A SLAVE,
THEN ACT LIKE ONE!**

**PLANT YOUR FACE
IN THE GROUND**

**AND BEG FOR
FORGIVENESS!**

YOU ARROGANT BITCH!

I really hate this...

I want to remove
this collar so this doesn't
happen again

BRING ME MY WHIP!

Your Royal Highness
Queen Elania: forgive this
breach of propriety

**I'LL THRASH HER FACE
SO FIERCELY SHE WON'T BE
ABLE TO LIFT IT AGAIN!**

Take her
inside: I'll bear the
responsibility

EREN!

EREN! YOU'RE HERE
JUST ON TIME!

What's troubling you,
Your Highness?

You see—

Milanka,
escape quickly

You,
sir

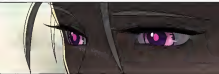

Mr. Reano,
hold on to me.
We're getting
out of here.

In just a
moment...

do you have any
news of Prince Elnhart?

Oh?

I'm supposed to meet him, is he not here yet?

Did something happen?

No, it's nothing

If Even doesn't know where he is, then the only place left is...

That aside, what brings you here?

Ahh...

THE
THE
THE
THE

Hmm? His gaze...
